Attention Librarians, ELA and Reading Teachers: Explore the NEW TeachingBooks.net

TeachingBooks is an ever-growing digital library of resources about the books and authors taught in all of your classes. Use the search box on any TeachingBooks.net webpage to find resources for the books your students are reading. The engaging online resources TeachingBooks instantly connects you to will provide new perspectives and insights.

Jump-Start Using TeachingBooks

Here are some ready-to-read and ready-to-learn articles to help educators quickly learn ways to use this database to support their ELA and library work. More than a dozen articles are available by clicking on the “Get Training” tab in the orange navigation bar and selecting “Key Articles for Teachers,” or direct at: <http://TeachingBooks.net/KeyArticles>
